IRON RESERVOIR VASES....

We are the Exclusive Chicago Agents for
These Celebrated Vases

THE PECULIAR FEATURE in these vases consists in the reservoir for water, as shown in the cuts below. *They do not need watering oftener than once in ten or fifteen days*, according to the size of the vase. The moisture being drawn upward by capillary attraction, as in nature, the ground does not become caked and hard, as in ordinary vases, but remains open and porous through the entire season. There is no excess of moisture, and plants thrive in them to perfection.

EXPLANATION.

A—The earth receiver. C—The reservoir for water, which is filled through apertures, as shown in the cut. B—Tube connecting the earth receiver with the reservoir. This tube is packed with moss or sponge, through which the moisture is drawn up into the earth by capillary attraction.

The reservoir principle makes these vases very desirable for use in cemeteries, or other places where they cannot be frequently watered. It is found by experience that the earth is kept moist and in good condition for a period of ten to fifteen days, without re-supplying the reservoir.

All our vases can be painted in the various shades of colors, but parties ordering "light blue," "dark green," "bronze green," etc., are expected to accept our judgment, within reasonable limits, as to exact shade used.

Also bear in mind that when special colors are wanted there will often be a delay of three or four days in making shipments.

IRON RESERVOIR VASES.

**No. P 1. Wyoming Vase.
WITH RESERVOIR.**

Height, 5 feet 1 inch; diameter of vase, 87 inches; width, including handles, 5 feet 4 inches;

These rabbits are nice lawn ornaments, and a great disappointment to dogs.

No. B 718. SWAN FOUNTAIN.

Height, "A" to "B," 6 feet; Diameter of Upper Basin, 16 inches; Diameter of Lower Basin, 24 inches.

PRICES—Painted Green and Ornamented with Gold Bronze, \$40.00. Bronzed over entire surface, \$45.00.
(The Swan is always painted White.)

Price includes Spray Top and Pipe for connection with Supply Pipe, and Anchor Bolts.

The Ground Basin is made of Cement. Usually made from 8 to 10 feet in diameter. The Center on which the Fountain stands can be made of stone or of cement in imitation of rock-work. This is usually made from 3 to 4 feet high, making entire height of Fountain about 10 feet.

This is a beautiful Lawn Ornament, and the entire cost should not exceed \$100.00.

We carry this style in stock and can ship at once on receipt of order.

LAWN MOWERS AND LAWN ROLLERS.

No. B 60. Two Section Roller.

24 inches long; 20 inches in diameter.

PRICES—300 pounds.....	each, \$12.00
350 ".....	" 14.00
400 ".....	" 16.00

No. B 59. Three Section Roller.

24 inches long; 20 inches in diameter.

PRICES—300 pounds.....	\$15.00
350 ".....	17.50
400 ".....	20.00

The "Hoosier" Section Lawn Rollers are the best made. Easy to handle, turn, etc., and will not tear up a lawn like a single piece roller. In this respect the three-section roller is better than the two-section roller.

No. B 90. The "Hoosier" Lawn Mower.

G is a grass guard to prevent grass from winding around reel shaft; H is a shield to prevent grass from dropping under roller; B and A are screws for adjusting cutters; E, bolt for adjusting height of cut; D and C, screws for adjusting wear of bearings; F, hole for oiling cogs, pinion, etc., and for grinding.

"N."

Illustration N shows vertical section of Pinion, Shaft and perspective view of hardened steel "Rocker" part L. It is a simple, positive, strong and durable clutching device.

"M."

Illustration M shows pinion, and end of shaft, with one end of the "Rocker" part engaged with pinion at K. White dotted lines show ratchets on opposite end of Pinion. This is what and all you will see when you take off drive wheel. It is simple and perfect.

It is made of the best material to insure strength durability and ease in operating. The finish of the "Hoosier" is attractive—black wheels with gold trimmings, bright vermilion body and natural wood handles. Easy to oil, to sharpen, to adjust cutters, to adjust bearings, to clean and to adjust height of cut.

PRICES — 10 in., \$13.00; 14 in., \$17.00; 18 in., \$21.00.

No. B 808. Wrought Iron and Wire Summer House.

The above illustrates a very attractive and durable summer house. It is open and airy, as the wire work does not obstruct even a slight breeze. It can be made of any desired size. The same general style can be preserved and be made square, hexagon or octagon in shape. This style of summer house is used in Parks and for Residence lawns. When partly covered by climbing vines, or situated in the midst of shrubbery, it is a very attractive and delightful resort in hot summer days and nights. It is also appropriate for Cemeteries, and can be made to fit any size lot. The style of the mesh work in the above can be varied so as to change the appearance, making it more or less ornamental. It made as shown in cut, prices will be as follows:

1-inch square steel corner posts \$2.00 each, extra.

All necessary line posts are included in the cost per lineal foot. The extra being for corner posts and gate, including gate posts.

Our No. B 242, B 241 1/2 or B 241 ornamental posts may be used at gates or at gates and corners. Price each, extra, \$4.50.

No. B 856 Vase, \$9.00.

No. B 449 Settee, \$10.00.

No. B 450 1/2 Chair, \$6.00.

Other Vases, Settees and Chairs may be used. See our lawn and cemetery ornament lists.

Represents a CEMETERY LOT Enclosed with our No. B 220 Standard Fence.

Shows 1 inch Square Posts at corners; two No. B 242 Ornamental Posts, with No. B 221 Gate.

Top and middle rails are $1\frac{1}{2} \times \frac{3}{4}$ inch steel channel; bottom rails $1\frac{1}{4} \times 1\frac{1}{4}$ inch steel angle; pickets $\frac{7}{8}$ inch round steel, placed 3 inches apart; line posts $1\frac{1}{4} \times \frac{3}{4}$ inch bar steel; 80 inch ground anchorage.

Price of No. B 220 Standard Fence, 30 inches high, \$1.00; 36 inches high, \$1.10; 42 inches high, \$1.20.

This Fence we consider our Standard or Best Fence for Cemeteries, etc., it being neat, plain and substantial.

Making more of this Fence than most others combined (our capacity on this Fence being 1200 feet daily), we are enabled to furnish at such a low price. The material and workmanship are the best in every particular.

Prices.—1 inch Square Gate or Corner Posts, \$2.00 each extra.

No. B 242 Ornamental Post for Gate or Corners, \$4.50 extra.

No. B 221 Walk Gates, \$4.00 each extra.

Drive Gates to correspond, \$8.00 extra.

Within the enclosure we show our Iron Fern Leaf Settee and Chair, also Victoria Vase. Should you wish scale drawing giving full-size details of above Fence it will be forwarded on application.

NO. B 61 CEMETERY LOT FENCE.

The above represents a Cemetery Lot surrounded with stone coping on which is placed our No. B 61 Pattern Fence.

PRICES.—No. B 61, 18 inches high, \$1.10 per lineal foot.

No. B 61, 24 inches high, 1.20 per lineal foot.

No. B 61, 30 inches high, 1.30 per lineal foot.

Extra for 1 inch Square Corner and Gate Posts, \$1.50 each.

Extra for Walk Gate, \$6.50.

This style of fence can also be used without stone coping. We can furnish substantial Ground Foundations for same for an additional charge of 10 cents per foot. Within the inclosure is shown our **No. B 47 Settee** and **L 2 Reservoir Vase**.

Illustrates a CEMETERY LOT Enclosed with our No. B 408 Pattern SPECIAL STEEL FENCE,

Our No. B 72½ Walk Gate, and our No. B 608 Entrance Arch. No. B 241½ Ornamental Gate Posts, and 1 inch square Steel Corner Posts. The Arch can be omitted if desired.

Top and middle rails 1½ x ½ inch steel channels; bottom rail 1½ x 1½ inch steel angle; line posts 1½ x ¾ inch bar steel, with 30-inch ground foundation attached and braced to a 19 x 4 x ½ inch steel anchor plate. Ornaments on pickets are high grade malleable iron and are swedged on hot.

PRICES PER LINEAL FOOT OF FENCE.		30 inches High 36 inches High 42 inches High	
		Set 34 "	Set 40 "
¾ inch Square Pickets, 3¾ inches apart		\$1.30	\$1.40
1½ "		1.40	1.50
1½ "		1.60	1.70
1½ "			1.80

Pickets are set diagonal in the rails, thus increasing the strength and giving a heavy appearance to the fence.

EXTRAS. No. B 72½ Walk Gate, \$3.50 each additional to cost per lineal foot. EXTRAS. 1 inch Square Corner Posts, \$2.00 each additional.

No. B 241½ Posts, \$1.50 each additional to cost per lineal foot. No. B 608 Arch and Name, \$20.00. (This can be omitted.)

Line posts, braces, bolts, center supports and painting one coat are included without extra charge. This is the finest and most substantial Cemetery Lot Fence made. We also show our No. S 1 Viola Reservoir Vase on Crane Pedestal, and our No. B 52 Wrought Steel Settee. (See our No. B 60 Lawn Furniture and Cemetery Goods Catalogue.)

Represents a CEMETERY LOT Enclosed with our No. B 602 FENCE.

Shows 1 inch square steel corner and gate posts with B 601 1/2 gate.

Pickets, 3/8 inch round steel, 3 3/8 inches apart; top rail, 1 1/4 x 1/2 inch steel channel; bottom rail, 1 1/4 x 1 1/4 inch steel angle. Price includes the ground foundations for all the posts; also includes the necessary line posts, center supports under panels, bolts, braces and painting one coat.

HEIGHT, 32 INCHES, OR 36 INCHES WHEN SET.

PRICE.—Fence, per lineal foot, \$0.90.

1 inch square gate and corner posts each, extra, \$2.00.

601 1/2 Walk Gate, extra or additional to lineal measure, \$3.00.

This makes a neat, durable and cheap Cemetery Lot inclosure.

We also show in the inclosure our B 511 Two-seat Steel-wire Settee, and our B 510 Steel Wire Chair (see pages 70 and 71); also our No. R 4 Reservoir Vase (see our B 60 Lawn Furniture and Cemetery Goods Catalogue).

TUBULAR CEMETERY ENCLOSURES.

No. B 160. Tubular Fences for Cemetery Lots, Etc.

This makes a very neat pattern rail. To protect gate entrance a smaller size pipe is made to slide back inside of railing. An iron gate can be used if desired.

PRICES:

1½ inch O. D. Top Rail, 1¼ inch O. D. Bottom Rail, per lineal foot	\$0.75
Posts, each, extra	1.00
Extra for Sliding Gate Bar	75

If wanted galvanized, add 50 per cent. to above prices.

No. B 161. Ornamental Tubular Fence.

This fence is made of 1½ inch outside diameter pipe for top rail and 1¼ inch outside diameter for bottom rail. The ornamental sleeves and posts are of cast iron.

PRICES:

Price per lineal foot, Painted	\$1.25
“ “ “ Galvanized	2.00
Entrance Gates of movable bars, extra	2.00
Extra for posts with ground foundations, each	4.00

This is a strong, durable and attractive fence.

GRAVE GUARDS AND ARCHES.

No. B 457. Grave Guard.

EXTRAS.—No. B 778 Walk Gate \$6.00, and also included in fence measures.

Drive Gates to match walk gates, \$12.00, and also included in fence measures.

No. B 238 Posts, \$9.00 each, and also included in fence measures.

Price includes all line posts, ground foundations, bolts, braces, centre supports, and painting one coat. The Ornaments on this fence are strong and have an elegant appearance. Square pickets only are used. They are set diagonal in rail, which makes them appear 33 1/3% heavier, and they are fully 25% stronger than round pickets of same specified dimensions.

No. B 333 Fence. No. B 238 Post. No. B 34 Gate. No. B 238 Post. No. B 333 Fence.

Illustrating our SPECIAL HEAVY THREE RAIL STEEL FENCE for Public Grounds, Etc.

Top and middle rails are of steel channels; bottom rail of steel angle. We use from $1\frac{1}{2}$ x $\frac{1}{2}$ inch to 2 x $\frac{3}{8}$ inch steel channels, and from $1\frac{1}{4}$ x $1\frac{1}{4}$ inch to 2 x 2 inch steel angles, depending on size of pickets used and height of fence. We secure all our pickets in the rails by upsetting or enlarging them, thus increasing their strength and durability. Nearly all other manufacturers cut away and reduce the strength of the pickets to hold them in place.

PRICES PER LINEAL FOOT.

	42 inches High	48 inches High	54 inches High	60 inches High
7 inch Square Pickets, $3\frac{1}{4}$ inches apart,	\$1.25	\$1.35	\$1.45	\$1.55

WROUGHT STEEL CEMETERY ARCH FENCES AND GATES.

COPYRIGHT 1894

No. B 870. Arch.

The above illustration represents our No. B 870 wrought steel Arch with our No. B 75 Drive Gates, No. B 678½ Walk Gates and No. B 238 Ornamental Walk Gate Posts. It also represents three styles of fences, "C," "D" and "K." It also shows two methods of finishing fences next to arches.

Any of our various styles of gates can be used in these arches. Parties desiring to investigate the cost of this style of work with a view of purchasing will please correspond with us, giving as near as possible the measurements, arrangement of gates, etc. Approximate prices can be given without accurate measurements.

Wrought steel arches are much more durable, have a nicer appearance and are less expensive than the old style clumsy *cast iron arches*.

COPYRIGHT
1894

No. B 175. Walk Gate. No. B 871. Wrought Steel Arch. No. B 75. Ornamental Drive Gate. No. B 175. Walk Gate.

We show above our No. B 871 Arch with wrought steel paneled posts with ornamental steel mouldings. Also illustrate our No. B 75 Ornamental Drive Gate, and No. B 175 Ornamental Walk Gates with arches. The large archway is recessed. This makes an elegant arrangement for cemetery entrance.

We shall be pleased to correspond with parties desiring this class of work. Enlarged plans and specifications will be furnished with prices.

No. B 200 Post.

No. B 872 Arch.

No. B 200 Post.

Illustration shows Nos. B 872 Arch, B 200 Posts, B 200½ Drive Gates and B 220½ Fence. This style may also be used for entrances to public or private grounds, such as "Fairview Farm," "Lakeside Park," etc. Prices on application.

ORNAMENTAL WROUGHT-IRON

ORNAMENTAL WROUGHT STEEL GATE.

No. B 185. Ornamental Entrance Gate.

Made of wrought steel, and arranged to attach to stone posts or stone wall.

4 ft. high	8 ft. wide, \$40.00	9 ft. wide, \$42.50	10 ft. wide, \$45.00	12 ft. wide, \$50.00
5 "	8 " 42.50	9 " 45.00	10 " 47.50	12 " 52.50
6 "	8 " 45.00	9 " 47.50	10 " 50.00	12 " 55.00
7 "	8 " 47.50	9 " 50.00	10 " 52.50	12 " 57.50
8 "	8 " 50.00	9 " 52.50	10 " 55.00	12 " 60.00

For height measures are taken on bars next to posts, height being from bottom of gate to top of scrolls.

No. B 617 Fence.

No. B 678 Gate.

No. B 618 Fence.

The above illustrates our heavy Steel Residence Fence. Pattern No. B 617 is made specially ornamental by crimping and twisting the pickets. Pickets are 7-16 inch square steel, placed 27 inches apart, and rails are extra heavy and substantial.

- PRICES.—No. B 618, per lineal foot, 30 inches high, \$1.50; 36 inches high, \$1.65; 42 inches high, \$1.85; 48 inches high, \$2.10.
 No. B 617, per lineal foot, 30 inches high, \$1.75; 36 inches high, \$1.90; 42 inches high, \$2.10; 48 inches high, \$2.35.
 No. B 678 Walk Gates to match No. B 618 Fence, \$5.00 extra above lineal measure.
 No. B 678 Walk Gates to match No. B 617 Fence, \$6.00 extra above lineal measure.
 Drive Gates to match No. B 618 Fence, \$10.00 extra above lineal measure. See B 18 Drive Gate.
 Drive Gates to match No. B 617 Fence, \$12.00 extra above lineal measure. See B 18 Drive Gate.
 No. B 241½ Gate, End and Corner Posts, \$4.50 extra above lineal measure.

Our No. B 238, No. B 240, No. B 241 or No. B 242 Posts can be used with this Fence at list prices, noted where these posts are illustrated.

No. B 220½ "STANDARD" Steel Fence, with No. B 241 Posts and No. B 227 Gate.

Rails, pickets and posts in above Fence are the same as our Standard No. B 220, the only difference being that Malleable Iron Ornaments are swedged on all pickets.

Prices.—No. B 220½ Standard Fence, 30 inches high, \$1.20; 36 inches high, \$1.30; 42 inches high, \$1.40.

No. B 241 Posts, as shown above at Gate, \$4.50 each extra, or above lineal measure of Fence.

No. B 227 Gates, 40 inches wide between Posts, as shown above, \$5.00 each extra, or above lineal measure of Fence.

Double Drive Gates to correspond with Fence, \$8.00 extra. See B 20½ Drive Gate for style and standard widths.

No. B 241 Posts, when sold alone, \$5.00.

No. B 227 Gate, when sold alone, \$8.00.

Nos. B 242, B 241½ and B 241 Posts can be used on either Nos. B 220, B 221½ or B 220½ Patterns. If desired specially ornamental our Nos. B 238 and B 239 Posts can be used. Wrought steel for posts is much more durable than cast iron.

No. B 20 $\frac{1}{2}$ DRIVE GATE.

The above shows our No. B 20 $\frac{1}{2}$ design Drive Gate as used with our No. B 220 $\frac{1}{2}$ STANDARD STEEL RESIDENCE FENCE. It is also used with our No. B 221 $\frac{1}{2}$ STANDARD STEEL RESIDENCE FENCE with the slight change of leaving the ornaments off the tops of the short pickets to match No. B 221 $\frac{1}{2}$ Fence. The extra charge for the extra work making this Drive Gate is \$8.00; i. e., the space it occupies is measured in with the Fence and the \$8.00 is for the extra work of making gates in place of a continuous fence without gates. Standard widths are 8 feet 9 inches and 9 feet 11 inches between posts. Other widths can be made for a small *additional charge*.

SEE No. B 120 $\frac{1}{2}$ FOR PRICE OF THIS GATE WHEN USED WITHOUT FENCE.

No. B 220 "STANDARD" Fence, with No. B 242 Post and Standard No. B 221 Gate.

(Read what we say about Fences on pages 1, 2 and 3.)

Top and middle rails $1\frac{1}{2} \times \frac{1}{2}$ -inch channel; bottom rail $1\frac{1}{4} \times 1\frac{1}{4}$ -inch steel angle; pickets 7-16-inch round steel, placed 3 inches apart; line posts $1\frac{1}{4} \times \frac{3}{8}$ -inch bar steel running through to bottom of anchor plate 80 inches below ground; also a $1\frac{1}{4} \times \frac{3}{8}$ -inch brace from anchor plate 80 inches below ground to post above ground, and a lateral or cross brace below surface of ground; center supports with anchor plate and in center of every panel.

PRICE.—Standard No. B 220 Fence, per lineal foot—30-in. high, \$1.00; 36-in. high, \$1.10; 42-in. high, \$1.20; 48-in. high, \$1.30.

No. B 242 Posts, as shown at Gate, each \$4.50 above lineal measure.

No. B 221 Walk Gates, as shown above, each \$4.00 above lineal measure.

1-inch Square Posts with an extra brace may be used for gate posts. Price, each, \$2.00 extra.

No. B 242 Posts when without fence, alone, \$5.00.

No. B 221 Gate when without fence, alone, \$7.00.

Double Drive Gates to correspond with above fence, \$8.00 extra or above lineal measure.

To the height of fences as specified above, add 4 inches, and the total will be the height of fence when set.

All our Gate Posts have an additional $\frac{5}{8}$ -inch brace, which can be set on any angle not to interfere with walk.

Our Standard Walk Gates are made 40 inches wide between posts.

Our Standard Drive Gates are made 8-ft. 9-in. or 9-ft. 11-in. between posts as desired. In ordering state which width you prefer. See Pattern B 20 for style of Drive Gate.

NO. B 20 DRIVE GATE.

THE ABOVE ILLUSTRATES OUR NO. B 20 DRIVE GATE USED WITH OUR NO. B 220 STANDARD STEEL RESIDENCE FENCE.

When measured in with the Fence we make an additional or extra charge of \$8.00 to cover the extra expense of making the Gates, which includes Top Scrolls, Hinges, Latch and Bolt, Center Hub, Braces, Malleable Iron Knees or Corner Supports, Putting on Side Bars, etc. The latch is strong and durable and conveniently operated from either side, and so arranged that a padlock can be put on if desired. For price of this Gate, when it is desired to use it without Fence, see our No. B 120 Pattern Gate.

We make standard widths as follows: 8 feet 9 inches and 9 feet 11 inches between posts. Other widths can be made for small additional charge, but it is always desirable to use standard widths when practicable.

**No. B 818 Fence.****Post No. B 734. Gate No. B 71. Post No. B 734.**

Above illustrates our No. B 818 Ornamental Wrought Scroll Fence, to be used without Stone Coping. May be used with Coping

PRICES. —No. B 818, per lineal foot, 18 inches high, \$1.50; 24 inches high, \$1.75; 30 inches high, \$2.00.

No. B 71 Walk Gate, \$7.50 extra.

Drive Gate to match, \$15.00 extra.

No. B 734 Posts, \$13.50 each extra.

This makes an elegant Fence for boulevard and suburban residences, or for country towns where cattle are not allowed to run at large.

The above also illustrates our method of erecting other styles of Ornamental Steel Scroll Fences, where stone coping is not used. See Pat-
terns Nos. B 806, B 807, B 813, B 814, B 810 and B 811.

CEMETERY VAULT WORK.

No. B 809. Heavy Wrought Steel Cemetery Vault Gate.

Illustration shows vault entrance with wrought steel gate front and sheet steel door back. We make a specialty of heavy steel and iron work of every description for cemeteries, and will be pleased at all times to confer with parties interested, and to give any information desired. Prices on application.
